The Wildcat

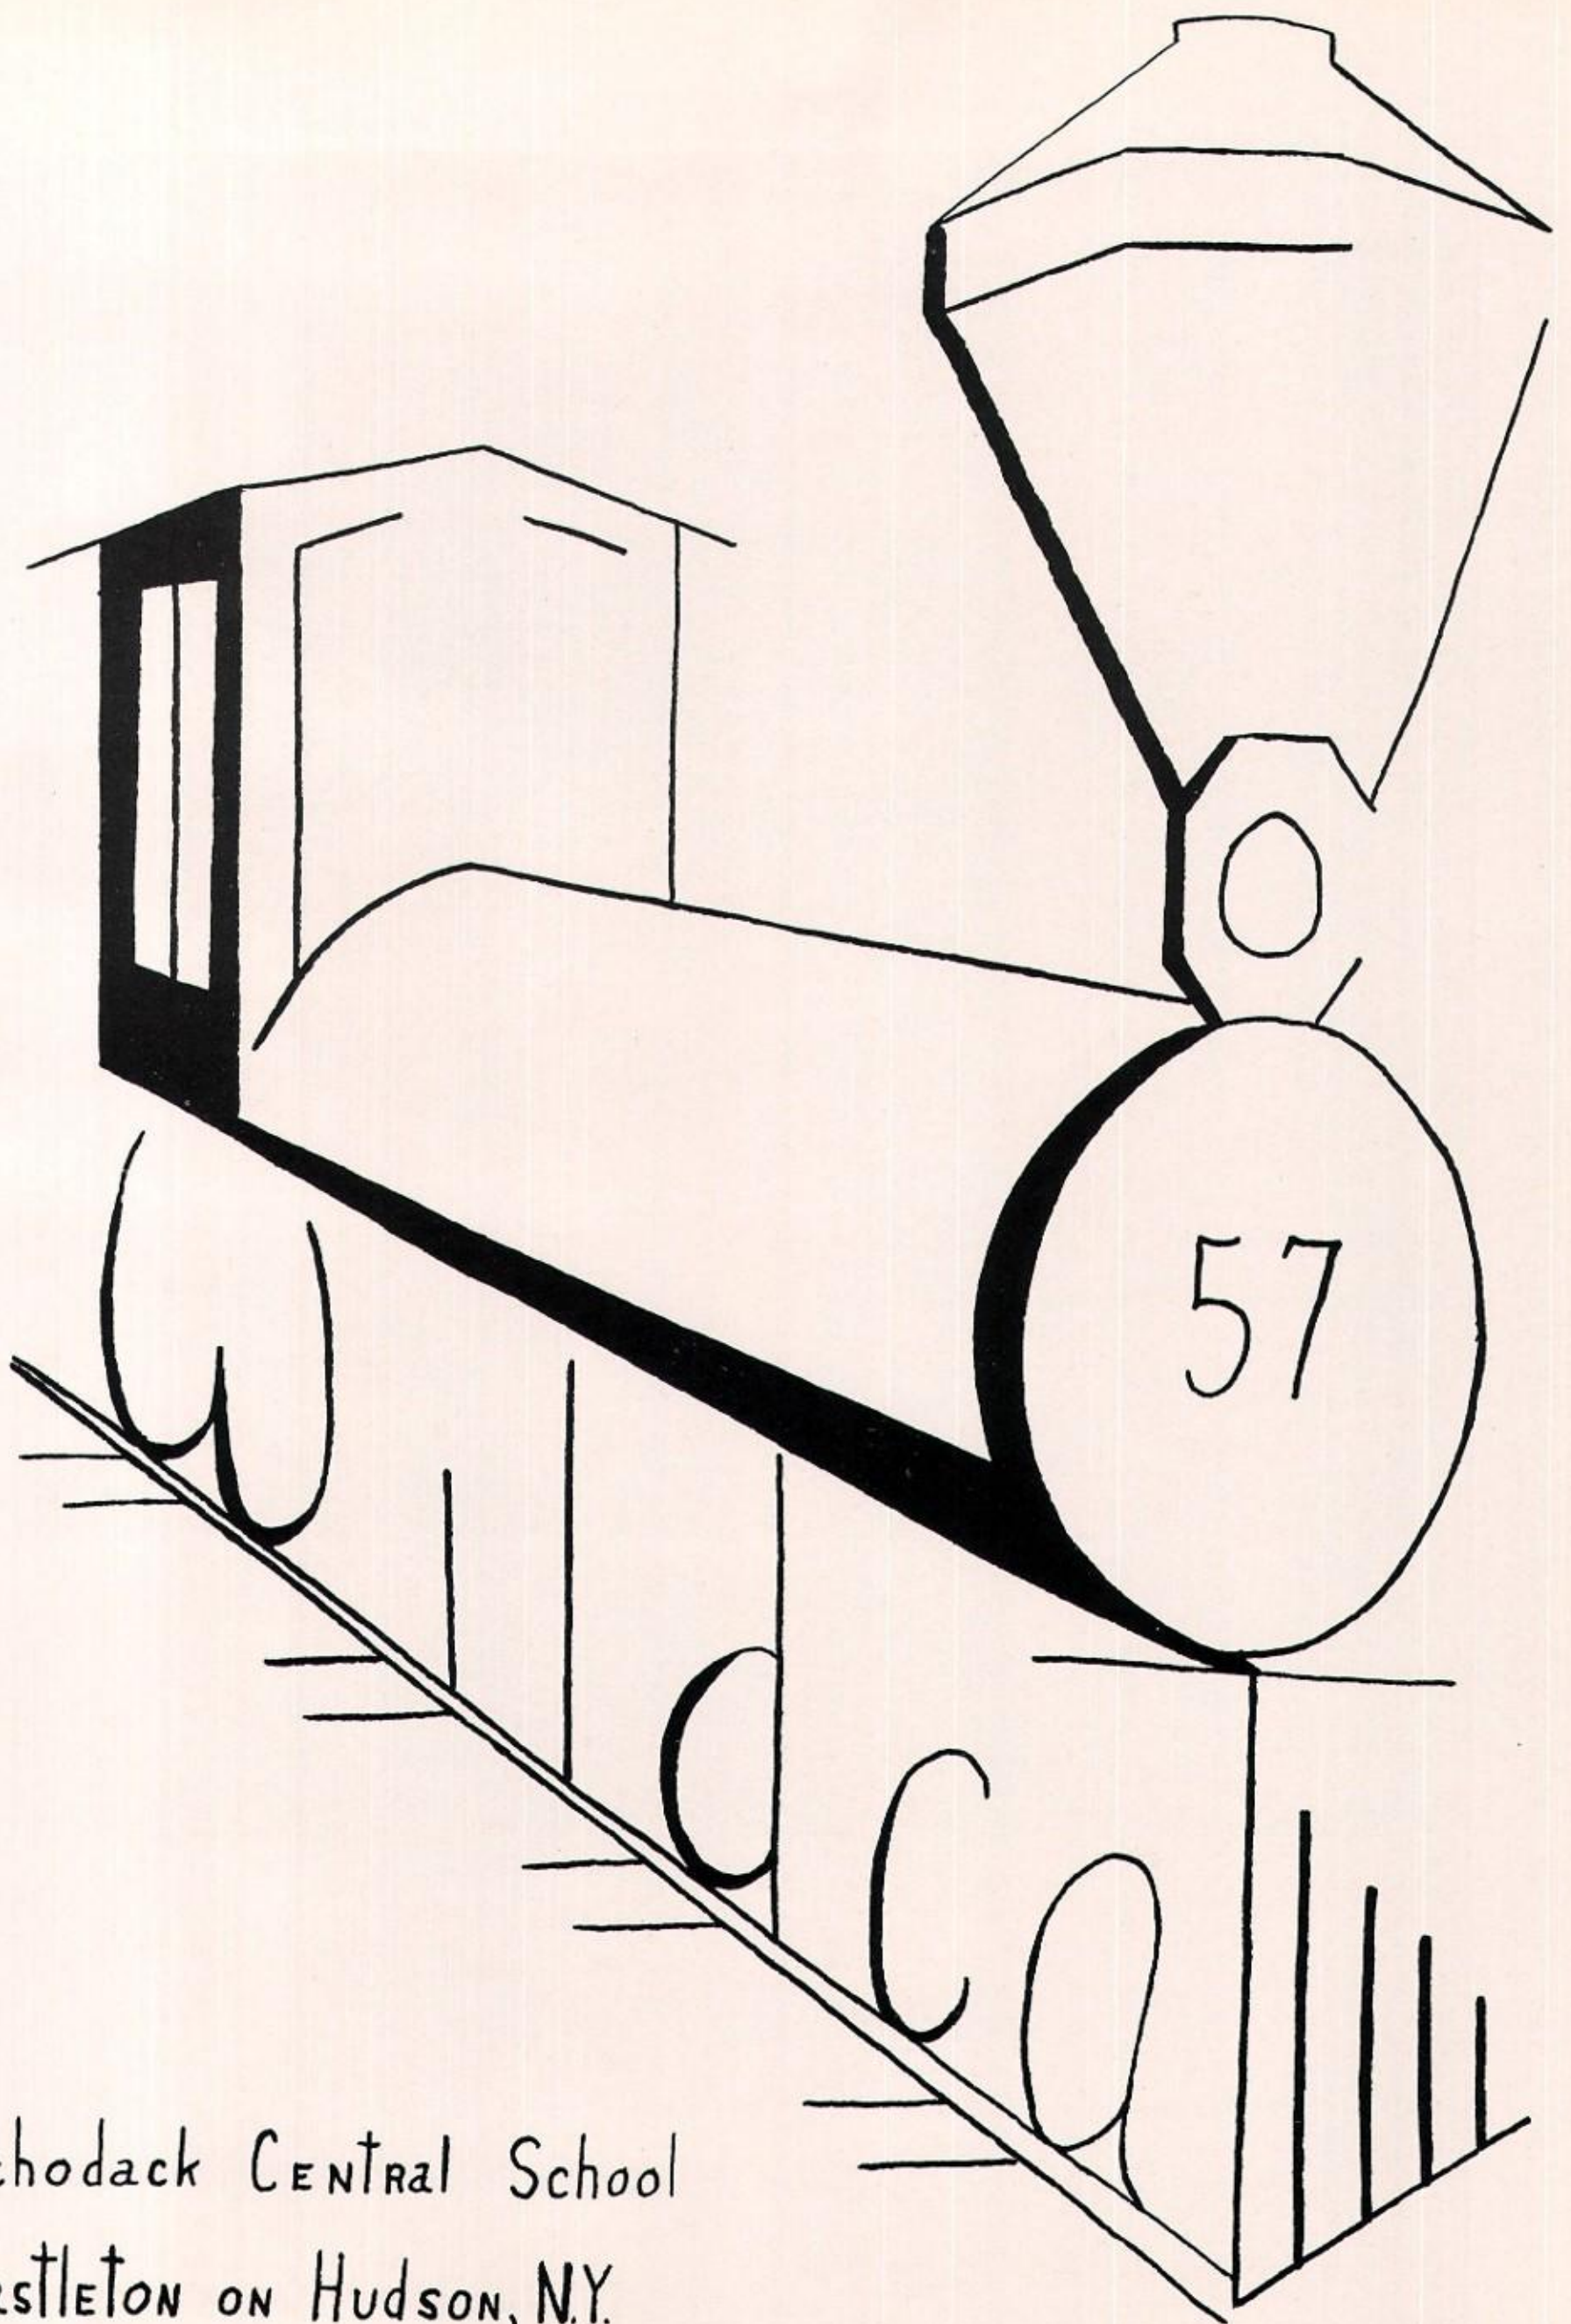

FOREWORD

These are the halls down which you have walked so many times throughout this past year. Larger classes, more friends, new activities, and experiences have all been a part of you. May this 1957 WILDCAT be your source for reminiscence in the future.

Schodack Central School
Castleton on Hudson, N.Y.

A black and white portrait of a middle-aged man with dark hair, wearing a suit and tie. He is looking slightly to the right of the camera with a serious expression. The background is a plain, light color.

DEDICATION

The Senior Class proudly dedicates the 1957 WILDCAT to Mr. George L. Christy in appreciation of his boundless understanding, unending patience, and extensive contributions throughout the last four years. As advisor to the Seniors, he has prepared them for the difficult world outside these halls. His ideals and expectations have been imparted not only to the Seniors, but to many other students of this school.

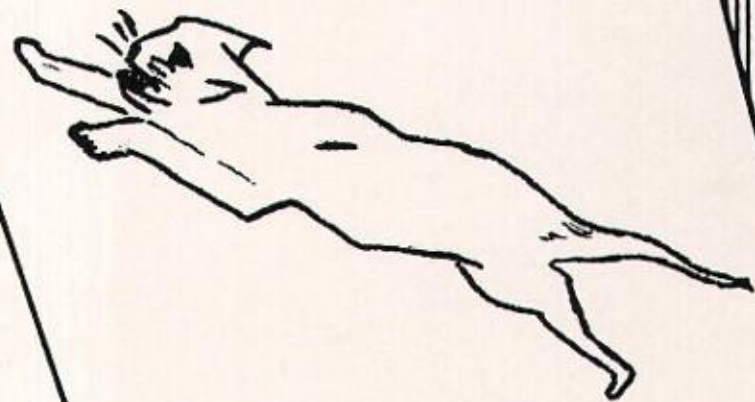

MRS. MARION BLAKE
MRS. MARIE HEINZE
MR. ELMER HENNINGER
MRS. VIVIAN INGALLS
MR. ROBERT NASH
OUR PARENTS

To the various other advisors, too, the Senior Class dedicates this, the 1957 WILDCAT. First in line was Mrs. Blake who took over the responsibility of a chaotic Freshman Class and aided greatly in the furthering of interest in class meetings. Her willingness to chaperone and enliven class trips will be remembered by the Seniors far into the future. The next year, Mrs. Heinz came "into the picture" as the advisor for the other homeroom. As science instructor, she constantly demonstrated her ability for making science interesting and convinced the tenth grade that biology could be a very absorbing subject. Like Mrs. Blake, she attended and aided class meetings and trips. Though Mrs. Ingalls and Mr. Henninger were not actually advisors, they served most diligently as both homeroom teachers and counselors for two years and were regarded most highly by all. Mr. Nash became advisor of the Class of 1957 at the beginning of its Senior year and assisted in many of the class meetings.

The Seniors also dedicate this yearbook to their parents in appreciation for their guidance and understanding not merely during two or three years but for a lifetime.

Without the leadership of these people, the present Senior Class would never be as optimistic and determined as we are today.

PRINCIPAL'S MESSAGE

This year's WILDCAT, the result of many hours of hard work, carries on the tradition of the WILDCATS of former years. This 1957 edition, by recording the activities of the Maple Hill High School and the Castleton Elementary School, is representative of the high quality of work that exists throughout our school system. Not only is the production of a yearbook valuable experience for those on the staff, but also it gives great pleasure to the student body and to the community.

On behalf of the Board of Education, the faculty, the student body, and myself, let me express my sincere appreciation to Miss Eleanor Tweedie and the WILDCAT Staff for this wonderful 1957 edition. The sponsor and the entire staff are deserving of the accolade, "Well Done!"

Congratulations on a good job well done. May
this Wildcat serve to recall the finest associations
of your years at Schodack Central.

I wish you all the best for the years to come in
your new fields of endeavor.

How large our school looks when seen from the air!

All types of books are enjoyed by many here in the school library.

At the end of a busy day the halls seem strangely silent and empty.
